Eclectic Dress Guide

Ladies: Visit your favorite boutique for the latest fashion, or pull out a vintage style from days gone by. A sassy cocktail dress or a poofy ballgown, little & black, or full of glam & bling...Your choice is the right one!

Gentlemen: A tuxedo will "Wow" the ladies, or how about a Zoot Suit? Lapels of any width get a thumbs up! Western style or metro man...Your choice is the right one!
